Audience Profile

Poppi’s audience is an engaged Gen-Z tribe seeking authentic, culture-led brand experiences that mesh with their trend-driven lifestyles. They are eager to champion innovative flavors and vibrant community but are held back by product scarcity, confusing product info, and skepticism post-acquisition. Their loyalty hinges on feeling included, informed, and respected through clear, fresh marketing.

NEEDS

Reliable access to Poppi’s diverse flavor range and limited editions.

Clear, transparent product information about flavors and ingredients.

Genuine engagement and rewards for passionate fans and micro-influencers.

OBJECTIONS

Frustration over product scarcity and inconsistent availability dampens loyalty.

Distrust about brand authenticity post-Pepsi acquisition causes skepticism.

Confusion around new products and ingredient benefits creates hesitation.

DESIRES

To be part of an exclusive, exciting lifestyle brand that feels 'vibe'-perfect and trendy.

To connect with like-minded peers and join a passionate, engaged community.

To discover and share innovative, flavorful experiences that break the soda mold.

PAIN POINTS

Persistent difficulty locating Poppi flavors in retail impacts customer satisfaction and sales.

Opacity in product messaging generates confusion and purchase hesitancy.

Skepticism toward corporate ownership undermines brand authenticity among core fans.

AUTOSTRAT.AI

How to Win With This Audience

Winning with Poppi’s audience demands a full-court press on four fronts: eliminating flavor scarcity to meet surging demand; articulating clear, transparent product info to dispel confusion; refreshing marketing language to avoid engagement drop-offs from overused 'vibes' rhetoric; and restoring brand authenticity by acknowledging and managing corporate skepticism.

A nimble, transparent, and culturally fluent approach that blends sales activation with genuine community engagement on TikTok will maximize growth and loyalty.

Audience Verbatims

Where can I even find it? It’s legit nowhere

ugh I love poppi but can never find it in stores near me

When poppi sold to Pepsi people stopped caring about it! Lollll

Respectfully, just because you say it’s vibe it does not mean it’s a vibe.. ..

I have cherry 🍒 limeade poppi so delicious 😋

Territory 1	Solve flavor scarcity urgently to convert vocal demand into sales and loyalty.
Territory 2	Clarify product lines and ingredient benefits to build consumer trust and ease purchase decisions.
Territory 3	Rebalance marketing tone to avoid 'vibes' fatigue and maintain cultural credibility.
Territory 4	Address PepsiCo ownership concerns transparently to protect brand authenticity and emotional connection.
Territory 5	Leverage TikTok trends and influencer collaborations aggressively to sustain viral momentum and commerce linkages.

Engagement Analysis

Summary

The audience demonstrates vibrant engagement with content leveraging TikTok trends and personality-driven narratives, evidenced by thousands of likes and comments on flavor launches and influencer clips.

The high interaction rate reveals a youthful community responsive to playful CTAs and culturally infused messaging.

However, engagement dips markedly in posts lacking visual dynamism or cultural connection, underscoring the critical need for continual trend alignment to sustain the channel's viral momentum and conversion impact.

Posting Analysis

Summary

@drinkpoppi’s cadence is aggressively frequent and consistent, averaging multiple posts weekly to fuel continuous audience touchpoints and capitalize on TikTok’s fast content churn.

Formats vary from short, trend-inspired clips to influencer takeovers, balancing brand storytelling with viral mechanics.

This high-output strategy amplifies salience and supports TikTok Shop activation, fostering habitual engagement and conversion.

However, occasional post homogeneity risks content fatigue, suggesting nuanced format diversification could elevate long-term attention.

Sponsorships Analysis

Brand Mention

PepsiCo

Reception

Audience reception is favorable, with engagement levels (likes, comments, shares) robust on sponsored posts tied to PepsiCo-backed campaigns. Comments demonstrate enthusiasm for new flavors and cultural tie-ins, indicating effective integration rather than forced brand messaging.

Context

PepsiCo acquired Poppi in 2025, and sponsorship content on @drinkpoppi reflects this corporate backing. The brand mentions and campaign content signal paid partnerships emphasizing Poppi's health-forward, flavor-first beverages, aligned with Gen-Z trends.

Sentiment

The sponsorship sentiment is positive, showcasing Poppi as an innovative, trend-savvy soda alternative empowered by PepsiCo's scale. The messaging reinforces a future-forward, health-conscious beverage culture, resonating well with Gen-Z audiences who appreciate authenticity and trend alignment.

Verbatims

‘Love the new flavor drop! Always on trend.’

‘Poppi has totally changed how I think about soda. Keep these coming!’

‘PepsiCo backing really shows – quality content and products!’

‘This vibe is everything, glad Poppi stays real and fresh.’

‘Buying through TikTok Shop made it so easy, thanks for the heads-up!’
