AUTOSTRAT.AI

How to use this deck

This deck is your secret marketing intelligence tool and superpower. It’s your shortcut to finding the macro and micro nuggets of information and inspiration you need to craft killer strategy.

By scouring this Instagram profile, we’ve tracked the conversations and content that matter. All of it has then been distilled to this presentation, so you know what matters to this audience.

So use it to get inspired. Use it to learn. Use it to know more about this brand than your competition. But however you use it, use it wisely.

Enjoy!

❤️ Autostrat Team

Audience Profile

This audience is a devoted, vocal community balancing nostalgia with a desire for fresh, authentic connection. They seek recognition, consistent quality, and inclusion but push back on inconsistency, poor communication, and value erosion, making them passionate yet demanding brand advocates.

NEEDS

- Consistent product availability to avoid disappointment and maintain loyalty
- Responsive and effective customer service to resolve issues quickly
- Authentic engagement and acknowledgment from the brand on social channels

OBJECTIONS

- Inconsistent product quality and taste undermine trust and satisfaction
- High prices and value perception gap alienate budget-conscious customers
- Fragmented communication and perceived neglect create distrust and disengagement

DESIRES

- To feel personally recognized and valued by Dunkin as passionate insiders
- To relive nostalgia and connect with comforting, familiar tastes and memories
- To participate in a vibrant, inclusive community celebrating Dunkin culture

PAIN POINTS

- Emotional distress from product discontinuations disrupting daily rituals
- Brand trust erosion due to inconsistent experiences and perceived neglect
- Frustration with limited customization and access impacting convenience and choice

How to Win With This Audience

Winning with Dunkin’s audience means embedding authenticity and real-time dialogue at every touchpoint: empower crew and creators to narrate brand stories, ensure product reliability to prevent brand abandonment, resolve customer pains with transparency and empathy, and innovate inclusively to thrill and include Gen Z consumers.

Leverage sponsorships that enrich this layered ecosystem, keeping Dunkin vibrant, relatable, and indispensable.

Audience Verbatims

They are just awful at this point. 3 months horrible customer service and they can’t get it together. They can’t communicate for the life of them

my dunkin never has an entire protein refresher. they are either out of the protein or out of the refresher. 😭

All those stories of our parents trekking through blizzards to get to school prepared us for this

As a communication girlie, I hope you guys do better with PR packages for black influencers in the future

I worked at Dunkin for three years. There used to be way more filling in the brownie batter donuts. PLEASE do something about this. Used to wait all year for these!!!

Territory 1	Activate real crew and influencer storytelling with participatory audience calls to foster co-created culture.
Territory 2	Deliver consistent, on-trend product availability tied to meme-worthy drops and community rituals.
Territory 3	Fix customer experience pain points rapidly to turn frustration into advocacy and trust.
Territory 4	Expand inclusivity through progressive menu options and customizable digital ordering.
Territory 5	Embed sponsorships authentically across lifestyle, tech, and fashion to amplify cultural relevance.

Sponsorship Analysis

Sponsorship Summary

Dunkin’s sponsorship strategy, anchored by the Charli D’Amelio collaboration, elevates the brand’s cultural standing with Gen Z by blending authentic creator stories, limited-edition product drops, and employee-driven content.

This creates ongoing relevance, community buzz, and multi-dimensional engagement.

Integration Summary

Sponsors integrate seamlessly, embedding product and lifestyle messaging early and throughout videos.

The Charli collaboration exemplifies multi-channel storytelling with strong authenticity signals, activating high engagement and positive sentiment from Generation Z audiences.

Future Sponsorship Suggestions

Sponsors best aligned are authentic lifestyle beverages, digital order tech, innovative inclusive foods, and streetwear brands, all leveraging Dunkin’s bold Gen Z cultural positioning and real-time audience participation.

Beverage and Lifestyle Brands	Digital Experiences and App Platforms	Inclusive and Trend-Driven Food Innovators	Lifestyle and Streetwear Fashion
Beverage-lifestyle fits Dunkin’s Gen Z culture brand evolution.	Digital platforms solve ordering frustrations and boost loyalty.	Innovative, inclusive foods keep Dunkin exciting and accessible.	Fashion partnerships magnify Dunkin’s lifestyle and cultural appeal.
Why it Works	**Why it Works**	**Why it Works**	**Why it Works**
These brands complement Dunkin’s lifestyle pivot by combining product hype with cultural storytelling that Gen Z craves.	Improving app usability and customization caters directly to vocal audience frustration and enhances habitual brand interaction.	Brands with innovative, inclusive menus can amplify Dunkin’s appeal by satisfying craving for novelty and community belonging.	Fashion collaborations translate Dunkin’s vibe into wearable culture, amplifying emotional connection and social proof.
How to Activate	**How to Activate**	**How to Activate**	**How to Activate**
Co-create limited releases with crew and influencers to spark authentic buzz. Use cultural merchandising to extend experiential brand reach. Embed partnership messaging in meme-ready, participatory content.	Feature crew and creator stories confirming app-based exclusives. Integrate trend-based seasonal items for fast viral potential. Highlight personalized ordering journeys in creator content.	Show crew and creator enjoyment of new items, underscoring authenticity. Fuse product launch stories with culturally relevant memes. Link food innovation to community identity and rituals.	Integrate merch reveals into meme and trend-driven video series. Leverage influencer unboxings and community shoutouts. Anchor fashion drops in crew-to-creator narratives.

AUTOSTRAT.AI

Engagement Analysis

Summary

Dunkin’s audience is highly interactive, showing a preference for content with a personable and conversational tone.

Posts that invite participation—through comments, remixable trends, or callouts to crew—drive meaningful engagement signals.

Unlike static brand broadcasting, Dunkin succeeds by fostering a lively dialogue, evidenced by rapid comment replies and remix usage.

This real-time social reciprocity fuels an ecosystem where fans feel heard and part of the brand story, converting followers into vocal advocates and repeat engagers.

Creator Summary

Search Purpose

Benchmark dunkin as an aspirational social brand for Cuervo. What is their content strategy, posting cadence, tone of voice, and engagement approach? How do they stay culturally relevant with Gen-Z?

Topline

Dunkin's TikTok presence is a masterclass in bold brand reinvention, shifting from legacy coffee stalwart to a Gen-Z culture hub. Its standout edge lies in authentic crew-driven narratives, savvy creator collabs (like Charli D'Amelio), and timely, meme-infused content that blends product hype with streetwear-style merch drops. The channel is relentlessly playful, using colorful visuals and self-aware humor to sustain engagement and cultural relevance. This isn't just a fast-food account — it's a lifestyle portal pulsating with direct audience interactions and rapid-response posting.

What it Means for You

Dunkin's TikTok strategy reveals how legacy brands can crack Gen-Z's cultural code: blending authentic frontline voices with creator-driven campaigns generates highly engaged communities, not mere product push. For marketers, this channels proven tactics — harnessing employee storytelling, limited-edition merch, and creator partnerships to create aspirational yet relatable brand halos. Dunkin's success spotlights a replicable, multi-dimensional content ecosystem where real-time interaction and trend agility drive sustained relevance and sales impact.

Common Themes and Topics

ectives form a core
and grassroots culture
to deepen fan trust.

Creator-driven moments, especially the Charli D'Amelio collaboration and related product drops, leverage influencer culture as a catalyst to extend reach and relevance.

Merch drops and lifestyle aesthetics position Dunkin beyond coffee, tapping streetwear and hip consumer culture to build aspirational brand

What Hits

Content spotlighting real crew stories, influencer collabs like Charli, and limited-edition merch sparks strongest engagement, blending authenticity with trend savvy.

What Misses

Overly polished, product-only posts without cultural tie-ins or crew perspective underperform due to lack of authentic, dialogic tone.

AUTOSTRAT.AI

Posting Analysis

Summary

Dunkin’s posting pattern is a rhythmic pulse, with four to five fresh videos per week that keep the brand omnipresent without oversaturation.

This cadence allows for timely trend insertions, rapid community responses, and staged product drops to coexist organically.

Content types vary from informal crew stories to polished creator collabs and merch reveals, showing strategic balancing of authenticity and aspirational moments.

This approach cultivates continuous brand mindshare and maximizes algorithmic reach via consistency and variety.

Appendix

Sponsorships Analysis

Brand Mention

Charli D’Amelio

Reception

The collaboration is received as genuinely exciting, boosting community engagement and perceived brand coolness. Audiences appreciate behind-the-scenes content and direct creator involvement, fueling shares and conversations.

Context

The Charli D’Amelio partnership is a flagship Dunkin’ sponsorship, explicitly integrated through co-branded drinks and merch, creator-led storytelling, social challenges, and frequent shout-outs, documented in multiple posts and campaigns.

Sentiment

Strongly positive sentiment accompanies this partnership, reflected by enthusiastic comments and high engagement. Audiences celebrate the collaboration as authentic and fun, with fans linking the campaign to Dunkin’s cultural relevancy among youth.

Verbatims

"I got the Charli drink and it legit tastes amazing!"

"Love seeing Dunkin bring Gen Z culture front and center."

"The merch drop was fire, grabbed everything!"

"Charli makes Dunkin actually cool now."

"The crew ambassador stuff feels so real, not just ads."

Audience Dive

Audience Needs

This community demands product reliability, authentic interactions, responsive service, and innovative, inclusive offerings that keep Dunkin' exciting and accessible.

Evidence

Audience repeatedly complains about discontinued or unavailable items causing frustration

Numerous posts express dissatisfaction with poor customer service and lack of communication

Fans highlight lack of response or inadequate acknowledgment by Dunkin on social media

Customers consistently request the return or introduction of unique, trendy products and dietary options

Expressions

Comments reveal persistent pleas and disappointment over favorites being unavailable or discontinued.

Audience openly calls out failures in service responsiveness and clarity on product issues.

Repeated pleas to be noticed, responded to, and recognized socially reveal craving for connection.

Fans seek new and nostalgic flavors alongside inclusive options to feel catered to and excited.

Verbatims

BRING BACK THE COOKIE BUTTER DONUT BRING BACK THE COOKIE BUTTER DONUT I'M BEGGING YOU I'M BEING YOU

They're just awful at this point. 3 months horrible customer service and they can't get it together. They can't communicate for the life of them

Please check your DM!✨ Sincerely, a newly 2027 bride who survives on Dunkin (literally)

How long before we get an email response?

BRING BACK THE BERRY BURST SPARKED ENERGY

AUTOSTRAT.AI

Audience Objections

They resist Dunkin when product quality falters, prices rise unfairly, communications feel fragmented, and digital ordering lacks flexibility—threatening loyalty and perception.

Evidence

Multiple complaints highlight variability in drink and food preparation

Audience explicitly mentions price sensitivity and disappointment in value adjustments

Criticism of PR packages and selective engagement expose trust fractures

Complaints highlight issues with online ordering, product customizations, and menu choices

Expressions

Quality complaints manifest in customer withdrawals and vocal calls for improvements.

Frequent complaints about rising prices and weaker value offerings signal cost as a barrier.

Recurring grievances about PR and messaging foster feelings of exclusion and mistrust.

Frustrations with app glitches and menu rigidity deter seamless purchase and satisfaction.

Verbatims

They're just awful at this point. 3 months horrible customer service and they can't get it together. They can't communicate for the life of them

My Shayla… I got one today 😕 it barely had any brownie batter in it… I was very sad 😔

dunkin....im wondering why is there Ana up charge on the drinks with Protein milk if the RECEIPE calls for it??? please let me know

Dunkin' can you fix your app it's so complicated to order

Wish they bring back donuts made in the store

AUTOSTRAT.AI

Audience Desires

This audience yearns to be valued as insiders, relive cherished memories, share belonging in a vibrant Dunkin culture, and continuously explore enticing, novel offerings that surprise and delight.

Evidence

Frequent calls to be noticed or included show a craving for personal brand connection

Requests for returning legacy products reflect yearning for nostalgic comfort

Frequent mentions of 'besties', 'crew', and shared rituals show community drive

Comments express eagerness for new and limited-edition innovations

Expressions

Audience behaviors include repeated pleas for social recognition and desires for exclusive access to product drops or merch.

Fans often vocalize longing for discontinued products and reminisce about Dunkin’s past.

Audiences repeatedly affirm their membership in a shared Dunkin culture, bonding over common experiences and language.

The audience actively engages with launches, expressing excitement and anticipation for fresh offerings.

Verbatims

Please check your DM!✨ Sincerely, a newly 2027 bride who survives on Dunkin (literally)

Dunkin notice me pls

I just want the original coffee coolata back no joke I would die for it

I faithfully have been going to Dunkin everyday for the past 22 years this is my second home 🫶

Megan ATE This Up ❤️‍🔥

AUTOSTRAT.AI

Audience Painpoints

Core pain points include emotional distress over discontinued items, eroding trust from poor service and PR, frustration with app/menu limitations, and disappointment from pricing and value changes.

Evidence

Frequent, emotional comments about missing discontinued items indicate deep personal impact

Comments reflect dissatisfaction with quality and corporate responsiveness

Frequent app complaints and menu rigidity complaints demonstrate user pain

Comments complain about lost meal deals, upcharges, and shrinking portions

Expressions

Emotional appeals accompany demands for nostalgic or discontinued products to return.

Ongoing social critiques expose deep trust fissures within the fan base.

Dissatisfaction expressed through public calls for app improvements and menu expansions.

Audience expresses disappointment over pricing and portion changes reducing meal satisfaction.

Verbatims

my mom hasn't taken me to Dunkin' in so long 🥺💔

They're just awful at this point. 3 months horrible customer service and they can't get it together. They can't communicate for the life of them

Dunkin' can you fix your app it's so complicated to order

Can you change up the $6 meal deal please 🙏

i got a dunkin gift card for christmas just to find out the $5 meal deal was changed.. 😔
